

# Personalized Commemorative Bricks for the RHS Serenity Garden

Families of Reservoir High School and Community Businesses have a unique opportunity to honor a student, staff member or community business or member by purchasing a personalized commemorative brick. Each personalized brick that is purchased will become a permanent part of the RHS Serenity Garden in the front of the school. Proceeds from the personalized brick program will help the PTSA support the academic programs at Reservoir High School.

**Each brick may include up to 3 lines of personalization with a maximum of 15 letters, numbers, spaces, and punctuation per line.** A variety of small graphics are also available. \*\* Please note that a graphic takes up about 1/3 of the brick, so less room is available for the personalization.

**For details contact:** Sue Hale at [suehale@comcast.net](mailto:suehale@comcast.net)

Please complete this form and return it with your payment of **\$50 by March 22nd.**

Please make checks payable to **Reservoir HS PTSA.** \*\* If adding a graphic, please include an additional **\$6.**

Please print your brick inscription below fitting one character in each box:
